Cost
\$100 million
Entrance Sculpture and
Fountain

Prime Consultant
Keiko Nelson in
association with Robert
La Rocca & Associates

Through: Shanghai
Ju Jia Urban Arts &
Engineering Co. Ltd.

Description
This is a major civic
sculpture proposal by
Keiko Nelson. It is
designed as a focal
point in front of the
Shanghai Grand
Theatre. The artist
has selected the
theme of "Dancing
Waves". This will
feature three bronze
figures in a dance
position. Dancing
fountain jets will also
be synchronized to
give the illusion of
motion.
